

I hope you have enjoyed our little tour through the Tabernacle in the wilderness. There is lots more to learn, but this is the final lesson in our little series.

## The High Priest

The priests had a special job in Israel. They worked in the Tabernacle, preparing and offering the sacrifices. There was one man who was the head priest. He was the High Priest. Can you guess who this might remind us of?

This week's memory verse is -

"But this man, after He had offered one sacrifice for sins for ever, sat down on the right hand of God."

Hebrews 10:12

Can my clever friends fill in the correct chapters below?

### The Offerings - read about them in Leviticus 1-7

The 5 main offerings in the early chapters of the book of Leviticus, give us a most beautiful picture of the Person and work of the Lord Jesus Christ, the true "Lamb of God which taketh away the sin of the world" ( John 1:29). Each offering on its own gives us a special insight into the work of Christ, but when all 5 are combined they give us a tiny idea of how much meaning there is in the death of Christ. Someone has described it as "so many mirrors arranged around the Lord and the cross so that each one reflects a special view of His Person and work" ( R.K. Campbell, BibleCentre.org).

Some of the offerings were 'sweet savour'. This means that they had a special fragrance for God. God took special pleasure in them. Can you guess why?
